Forecast For East of England
Issued by Met Office Exeter
at 1600 on Sunday 12 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy but mostly dry.

This Evening and Tonight:
Turning increasingly cloudy into the evening, although some clearer skies may persist along the East Anglian coast. A chance of isolated outbreaks of light rain or showers across the far west. Mild. Minimum temperature 14 deg C (57 deg F).

Monday:
Another warm day with light winds and cloudy conditions for most. Some brighter spells possible across East Anglian coasts, with a chance of isolated showers to the west. Maximum temperature 21 deg C (70 deg F).

Outlook for Tuesday to Thursday:
A showery but warm day most likely on Tuesday. High pressure then likely building, with foggy nights and mornings, and occasional afternoon showers on Wednesday and Thursday.
